BILL GRACEY

For over 40 years, Bill Gracey has been and continues to be coach, mentor and an inspiration to countless young men and women in New Mexico who learn from him valuable skills and respect for the games they play,

Many of these were granted college scholarships. Some became coaches themselves. James Yodice became a respected sportswriter. James Buccheri, Scott Gracey, Chad Kuhn, Scott Jaster, John Roskos, Sam Smith, Mike Vento, Kyle Weiland played professional baseball.

Just as important are numerous individuals whose lives benefit from lessons of teamwork, discipline and perseverance taught by Gracey who is equally enthusiastic in promoting athletic opportunities for young people regardless of age or gender. Just ask Maya Pacheco currently playing Varsity Softball at Cleveland High School and being offered College scholarships.

A talented athlete himself, Gracey was named to All-State, All-District, All-City High School teams in Baseball and Football and was West Mesa's Outstanding Senior Athlete of the Year (1970-71)

Gracey coached Boys' Baseball at West Mesa, Cibola, and La Cueva High Schools and Club Baseball in New Mexico. Overall, his coaching record boasts eight State Championships.

With Gracey as Assistant Coach, Lobo Women's Softball achieved a 4 year record of 127-84.

The "Bill Gracey MVP Baseball Player Award" created in his honor is awarded annually to the outstanding player at Cibola High School.

Gracey was inducted into the Cibola High School Athletics Hall of Fame in 2014 and into the New Mexico Baseball Coaches Association Hall of Fame in 2020.

Gracey served as a Division 1 NCAA Men's Basketball Official for 31 years. He officiated 14 NCAA DI Tournament Games (1 game away from Final Four twice); NCAA DII National Championship Game (1987); New Mexico Championship Games (1982, 1985)

In 2015, Gracey was appointed Associate Supervisor of Officials for The West Coast Consortium that includes PAC Twelve, Mountain West, Western Athletic, Big West, Big Sky, and West Coast Conferences and he continues in that role today.

His knowledge of college baseball motivated the Mountain West Conference to seek his services in the evaluation of baseball umpire performance.

Sports is a family affair at the Graceys—Wife of 38 years, Kris played Collegiate Volleyball., daughter Lauren played Varsity and Club Volleyball, son, Scott played on two La Cueva State Baseball Championship teams, was a Lobo shortstop and played for the Toronto Blue Jays Organization.. Bill continues his coaching career as an Assistant Baseball Coach for the La Cueva Bears.

Cougars Maul Bulldogs For State Baseball Title

'Holy Cow!' Cibola Rips AHS 13-1

By PHIL CARAS, Journal Sports Writer
The season was over, and yet, it looked like things had just begun. Cibola's baseball players were doing the things that seemed natural from the start in February—tingering each other and laughing out loud, with Coach Bill Gracey running right along. A lot of course, there was the drama. "Holy cow!" said a user. Gracey, his voice almost inaudible. "Holy cow!"
The Cougars won the state championship Saturday, beating Albuquerque High by the improbable score of 13-1 in five innings at the Sports Stadium. The team, all stars from the Wide World of Transfer, came to play in the hours from the field.

The success and lasting honors Lou and team members received began in 1953 with Lou's creation of the Pierotti's Clowns, dubbed "The Goodwill Ambassadors of Los Alamos". The only 5 man Softball Team in the world. Lou managed, became the Clown Prince of Softball, and anchored third base from 1952 to 1977 with a record of 177 wins and 23 loses competing against quality 9 man teams. CLASS OF 2021 INDUCTEE

GENE TORRES

Gene Torres September 9, 1937 - June 12, 2005

Gene Torres was born in Trinidad, Colorado on September 9, 1937. At the early age of 10, Gene was introduced to what would be his lifetime passion, the game of golf. With humble beginnings, he earned his way onto the golf course by shoveling coal into the local furnace at the Trinidad Golf Course. It would become a steppingstone to earning the position of a golf caddy. From there he made friendships that would last a lifetime and nurture his love of the game.

Those friendships eventually led him into playing tournaments and a golf career that expanded more than 57 years. In 1956, Gene went onto win the Colorado State High School Golf Championship. From 1962-2005, Gene was the Head Golf Professional and Professor at New Mexico Highlands University in Las Vegas, New Mexico, where he mentored several college golfers. Because of his inspiration, many would continue in his footsteps and become Class A PGA Golf Professionals themselves. This accomplishment brought joy to Gene as he too was a Class A PGA Golf Professional since 1970. Later, Gene would win more than 80 Professional Golf Tournaments throughout the United States and Mexico. He won 5 New Mexico Open Golf Tournaments. Four were in a row from 1968, 1969, 1970, and 1971. His 5th New Mexico Open was in 1984. In 1971 in Pinehurst, North Carolina, he won the National Pro-Am Golf Tournament at the Famed Pinehurst #1 Golf Course. He posted a new course record on the last day of 62. This victory earned him a 1972 Lincoln Continental car. In 2004, the Professional Golfers Association of America awarded Gene the Lifetime Achievement Award. It is one of the highest honors you could receive from the PGA of America.

In 2004, Gene was also inducted into the New Mexico Highlands University Hall of Honor. Lastly, in 2005 with family, friends and community members by his side, New Mexico Highlands University, in his honor, renamed and dedicated their golf course the Gene Torres New Mexico Highlands University Golf Course.

HIGH SCHOOL MALE ATHLETE OF THE YEAR

LUKE WYSONG CLEVELAND HIGH SCHOOL

Luke Wysong was an outstanding student/athlete for Cleveland High School. Luke accomplished a rare feat by being awarded the Gatorade Football and Track Athlete of the year.

In an abbreviated season due to covid restrictions, Luke led Cleveland to a 4-0 record and a 6A State Championship vs. Las Cruces High School. A 2019 All-State selection, he concluded his prep football career with 1,173 receiving yards and fourteen touchdowns.

In track, the 5'10", 185-pound senior won the 100- and 200-meter dashes, took second in the long jump and 400-meter race, and shared in a 5A-record relay clocking to help the Storm win the state team title.

A Rio Rancho Fire Department and Police Department Youth Volunteer, Luke has donated his time locally as part of food donation drives and has volunteered on behalf of multiple community service initiatives through his church youth group.

In the classroom he maintained a 3.24GPA.

Luke committed and played this past season for the University of New Mexico Lobos where he caught twenty-four passes for 224 yards or an average of 9.8 yards. Already a fan favorite, UNM Head Coach Danny Gonzales is referring to Luke as his "playmaking sophomore."

Following in her sister's footsteps, Kali Crandall who was voted Gatorade's NM Softball Play of the year in 2017-2018, RyLee developed her skills early on. Also contributing to RyLee's success on the field was her father who coached both daughters.

Amongst RyLee's many achievements, she ended her high school career with the second best in the state with 667 strikeouts. Since an 8th grader, she won 56 games as a pitcher, which ranks her fourth all-time. She was instrumental the three state championships – 2021, 2019 and 2018 for the Bulldogs

Off the field, RyLee maintained a 4.24GPA in school, was elected to her high school's Student Council, and volunteered in numerous community service initiatives in association with her church youth group.

How do I retire the way I want?

Confidence starts with a plan

A longer life expectancy and rising healthcare costs could jeopardize the retirement you always imagined. I can help you be more confident you're on track for the retirement you want, through a clear plan that we create, together.

For some of life's questions, you're not alone. Together we can find an answer.

We're all in this together. State Farm has a long tradition of being there. That's one reason why I am proud to have been a Board Member (2010-2021) and President (2015-2017), plus providing financial support since 2004 as a sponsor.

I am excited to be a major Partner Company for the 48th Annual New Mexico Sports Hall of Fame Induction Banquet & 6th Annual Charity Golf Classic.
